2       **Incentive For Early Completion**

3       Section 1-08.5 is supplemented with the following:

4

5       It is essential that the Contracting Agency has full and unrestricted use of the facilities at  
6       the earliest possible time. As an incentive to the Contractor, the Contracting Agency will  
7       pay the Contractor \*\*\* \$1\$ \$ for each working day remaining in the contract prior to  
8       the established \*\*\* \$2\$ \$ completion date, but not to exceed an amount equal to \*\*\*  
9       \$3\$ \$ \*\*\*.

10

11       The days eligible for the incentive will be calculated by subtracting the working days  
12       elapsed through the date of \*\*\* \$4\$ \$ completion from the total working days  
13       established in the Special Provision **TIME FOR COMPLETION**.
